Suzanne,

This all looks good. I will verbally update the schedule on the last slide shown at the December F2F during the call, as you suggest.

Jeff –

Are you OK with the agenda below and the attached items as the meeting handouts? I edited the time in blue. I know you had left an hour to discuss the last agenda item, but on FHTE I thought you wanted that to be a shorter discussion. I can also take time to discuss governance if time allows. I think we'll spend a fair amount of time on the first agenda item. Are there any updates to the timing in the very last slide that has a schedule in it? I'll leave the presentations as is, but you might want to verbally provide updates.

Thank you.
